## WEIGH-IN REGULATIONS

### **LOCATION OF THE WEIGH-IN**

The weight control can take place in one location, in the competition venue or in the official hotels allocated by organizers for participating delegations. Organizers should provide separate rooms for men and women and a sufficient number of calibrated electronic scales showing only one decimal place i.e. 51.9 kg, 154.6 kg.

### **WEIGH-IN RULES**

For IBSA Judo events the official weigh-in for seniors and juniors will be organized the day before the competition at 20:00

For youth the weigh-in will take place in the morning on the same day of the competition. There should be a minimum of 2 hours from the end of weigh-in to the start of competition.

For team competitions the weigh-in is organized one day before the competition. There will be a 2 kg tolerance for athletes who competed in the individual Championships and NO tolerance for athletes who are only inscribed for the team competition.

The official weigh-in control period shall be between 30 – 60 minutes.

Control scales should be available in all official hotels between 08:00 – 22:00 for athletes to check their weight.

Athletes shall be allowed to check their weight on the official weigh-in scales (that will be used for the official weigh-in) from one hour before the official weigh-in commences.

There is no limit to the number of times each athlete may check his weight during the time of the unofficial weigh in.

### **RANDOM WEIGH-IN**

Random weight checks for junior and senior athletes (not for youth) can be organized before the first contests in the morning of the competition. The rules will be the same as those of the official weigh-in with the exception that the athletes do not need to bring their passports, as their accreditation is sufficient for identification. The weight of the athlete cannot be more than 5 % higher (without judogi) than the official maximum weight limit of the category.

**OFFICIAL WEIGH-IN PROCEDURE**

The Organizers of the Championships shall make available a minimum of two national referees/officials per each official scale. One to check the passport and weight of the athlete and one to record the exact weight on the official weigh in list. An additional

official/volunteer should also be available to control the flow of athletes. To protect the privacy of the athletes, officials supervising the weigh-in must be of the same sex as the athletes.

The IJF IT team in charge of the event shall make available one copy of the weigh-in list for each weight category for the organizer and one copy for the members of the Sport Commission conducting the weigh-in before the scheduled start of the official weigh-in period.

Photography or filming is not permitted in the weigh-in area. This includes the use of mobile phones and all other devices.

All coaches have a chance to stay in the weigh-in room, however about 3 meters far from the scale on the official weigh-in.

- Each athlete shall bring to the weigh-in his accreditation card issued for the Championships and his passport or an official identification document with photo. The athlete shall present both documents to the official, who will verify the identity of the athlete.
- The athlete shall weigh-in wearing only underclothing (men/boys – underpants, women/girls – underpants and bra), under the supervision of a weigh-in official; the athlete are allowed to remove their underclothing to ensure they reach the minimum weight limit of the weight category in which they are entered. In the cadets age category athletes are NOT allowed to remove their underclothing (boys – underpants, girls – underpants and bra) to compensate an additional 100 grams will be allowed i.e. for the category 44 kg the limit will be 44.1 kg.
- Any socks, jewellery or body piercings must be removed.
- The official supervising the weigh-in shall note and record the athlete's weight in kilograms (accurate to one decimal point of a kilogram).
- The athlete is allowed to stand on the scales only once during the official weigh-in period.

#### **Failure to appear for weigh-in control**

Should an athlete fail to appear for weigh-in during the official weigh-in period, this shall be noted beside his name on the official weigh-in list. A weigh-in official and the IBSA Judo delegate shall sign the notation. The athlete will be excluded from competing in that weight category.

#### **Failure to weigh-in within the prescribed limits of a category**

Should an athlete weigh either above or below the prescribed limits for the category in which he is entered the exact weight shall be recorded in the normal manner. The weight shall be circled and signed by a weigh-in official, and a member of the Sport

Commission and by the athlete himself or a member of his delegation. The athlete shall be excluded from competing in that weight category.

### **Failure to comply with official directions or with requirements of the IJF SOR**

If at any stage during the weigh-in period, an athlete fails to comply with the directions of any weigh-in official or an IBSA Judo delegate, or fails to comply with the requirements of the IJF SOR, the athlete shall be prevented from participating in the weigh-in and the nature of the infraction brought immediately to the attention of the Sport Director of the IBSA Judo.

### **RANDOM WEIGH-IN PROCEDURE**

The random weigh-in takes place in the morning each day of the competition.

#### **Draw of the athletes**

The responsible IBSA Judo delegate will perform the draw of the athletes by means of software on a laptop, one (1) hour before the start of the preliminaries of the competition each day. This will be done at the place of the IBSA Judo IT person running the competition. Minimum one athlete and additional one athlete after 10 athletes per weight category, but max. 4 athletes (except + 70 kg and +100 kg) will be drawn.

#### **Collecting the athlete**

The list of named athletes drawn for the weigh-in, will be immediately posted in the warm up area.

#### **Weigh-in procedure**

Four volunteers (two men and two women) will operate the weigh-in. Two volunteers will identify the athletes and the two others will proceed with the weigh-in in two separate private rooms, one hour (1) before the start of the preliminaries each day. The weigh-in will close 15 minutes before the start of the competition to allow any changes to be made by the IBSA Judo IT Team.

#### **After weigh-in procedure**

If an athlete's weight is 5 % higher than the official maximum weight limit of the category the Sport Director should be immediately informed and the overweight athlete will be excluded from the competition. The opponent of the overweight athlete should go on the mat and bow (they will be declared the winner by fusen gachi).

## INFORMATION ABOUT JUDO-GI

### Subject: judo-gi

#### Measurements, materials and back numbers

IBSA Judo follows IJF regulations regarding judo-gi back numbers, measurements and materials.

Judoka must wear proper judo-gi when competing in official IBSA judo events. Please check the IJF website for full details.

You should ask offer from the official producers. It can be asked suggestion from the able bodied judo federation of your country.

The backnumber should include the name of the judoka and the NOC abbreviation of the country. It should be ordered in an adequate time before the competition. Please see: <http://www.ijfbacknumber.com/>

The measurements of the judo-gi must comply with IJF regulations first time **for the Paralympic Games in Rio 2016**. (Till than the old and new measure of judo-gi can be applied.)

However the regulation of backnumber and the holding the signal of blindness and deafness **come into effect from 1<sup>st</sup> of May 2015**.

#### **Lack of proper judo-gi and back number the athlete will be disqualified from the competition.**

Sewing the signal of blindness (red circle) and deafness (**yellow circle**) on the judo-gi is the responsibility of the participating countries.

The local organizers should provide red and **yellow signals** for the reserve judo-gis (sticker).

Also wearing back number on jacket is obligatory. Ordering of back number and fix it on the back of the jacket is the responsibility of the participating countries.

Without back number and signal of blindness, or deafness the athlete will be automatically excluded from the competition.

#### New signal for deaf athletes

The deaf athletes must wear **yellow circle**, as a signal of deafness on the arm of the jacket both sides. (The place of the signal is the same as the red circle.) In the case, if the blind athlete is deaf too, the yellow signal will be placed under the red circle.
